This has been possible due to the dedication and hard work of the staff members under the able and professional leadership of the Board of Trustees. I wish to thank all concerned for their commitment and professionalism.

With a renewed focus, we are planning to establish a Degree College at Crescent English High School building. We have to thank the Almighty for helping us all the way through the unstinted support and commitment of our donors.

Following is a brief report on our Educational Institutions :

Nursery Schools: Our 11 Nursery Schools serve the marginalized population residing in slums and backward areas of Mumbai. These schools are located in the Central and Western suburbs of Mumbai. Our schools catered to 353 students. During the year 85% of our passing out Nursery students have been admitted to good English Medium Schools of their respective areas, ensuring quality education for them right through primary and into secondary levels of education.

We are conducting these schools in slum pockets with professionally qualified teachers using Child Centered, Play Way Method. We charge very nominal fees and hence incur annual deficit of 55 to 60% for each of these Nursery Schools.

Out of 11 Nursery Schools, 8 Nursery Schools are supported/sponsored by few Trust and Individuals.

We are grateful to all our sponsors and donors, who have made it possible for us to continue this oldest educational institutional programme (since the last 50 years).

We would appeal to our sponsors to sponsor the other remaining schools as well; the average annual deficit per school works to about Rs. 2 Lakhs.

Crescent English High School and Jr. College : Founded in 1993, MES' Crescent English High School & Jr. College has a rich history of academic excellence and a tradition of nurturing young minds.
