2020

MES' Study Centre

To provide a quiet and comfortable study environment that enables students to focus without distractions.

To maintain an affordable, quiet, and comfortable study environment that supports focused learning and academic success.

Estd.
2024

The Secretary's Annual Report 2025-2026

Respected Members,

It gives me great pleasure to present the 49th Annual Report of MESCO Education Society (MES). The year has been marked by meaningful progress, academic excellence, institutional growth and several significant achievements. As MES will enter its Golden Jubilee year in October 2026, we remain steadfast in our commitment to expanding our reach, deepening our impact on society, and strengthening our educational institutions that empowers every child to learn, grow and thrive.

I sincerely appreciate the Board of Trustees, staff, volunteers, donors, CSR partners, well-wishers and supporters whose dedication and contribution continue to strengthen the Society and advance its mission.

ORGANISATIONAL DEVELOPMENTS: To foster a more employee-friendly and progressive workplace, MES Board approved comprehensive revisions (w.e.f F.Y. 2026-27) to the Manual of Human Resource and Administration Policies and Procedures for Employees, along with an updated salary structure. These measures reflect our commitment to recognising and supporting our staff, who remain the backbone of the organisation.

During the year, MES was honoured to welcome Mr. Mohamed Arif Abdul Alim Khan as a Patron Member, and Mr. Nazarul Islam Kazi and Mrs. Farzana Nazarul Islam Kazi as Life Members of the Society.

On 28th March 2026, the Income Tax Department renewed MES' 80G and 12A registrations for a further period of five years. These certifications will remain valid up to the financial year 2030-31, reaffirming the Society's compliance with statutory requirements.

We also record our heartfelt gratitude to a generous well-wisher for the invaluable gift of two residential flats at Godrej Properties, Thane, donated through duly registered Gift Deeds. On 24th January 2026, MESCO & MES jointly organised a special programme to honour the distinguished legacy of leadership and dedicated service of Mrs. Zaitoon Officewala, a respected member of the Advisory Committee. The event celebrated her invaluable contributions and enduring commitment to the growth and development of our institutions. In April 2025, our President, Dr. Khatkhatay, was on a personal visit to the United Arab Emirates (UAE). Mr. Salman Kardame, General Secretary of MESCO and Mr. Mohsin Shaikh, Executive Officer of MES, joined him from 28th April to 12th May 2025. During the visit, they participated in the Dubai International Humanitarian Aid and Development Conference and Exhibition (DIHAD) held on 29th and 30th April 2025. From 1st to 12th May 2025, the delegation also met with well-wishers, donors and alumni of MESCO and MES, further strengthening relationships and discussing

opportunities for future cooperation and support.

During the year under review, MES' Crescent and Radiant English High Schools & Junior Colleges successfully hosted the Visionary Principals' Conclave, an educational forum that brought together 56 educational leaders representing 33 schools from across Thane & Mumbai Districts. The conclave served as a dynamic platform for deliberating on contemporary educational practices, innovative pedagogical approaches, leadership strategies, and the effective implementation of the National Education Policy (NEP 2020), fostering collaboration and the exchange of ideas among school leaders committed to educational excellence.

FINANCIAL OVERVIEW: The Balance Sheet for the year under report shows that the corpus stands at Rs. 6.62 Crores while investments are at Rs. 5.10 Crores. The Income and Expenditure Account for the same period shows an income of Rs. 17.07 Crores as against an expenditure of Rs. 15.39 Crores, leaving a surplus of Rs. 1.67 Crores, most of it towards Crescent School Expansion; the said surplus amount will be utilized in coming years for adding 3 additional floors that will have 2 additional divisions for each level from Nursery to Std. X.

NURSERY SCHOOLS: MESCO Education Society's Angels' Paradise Nursery Schools is a program that provides stimulating early childhood education. It looks at health, nutrition, cognitive, social & emotional development of the kids. The target population is children from low income families. This project was initiated by MESCO (Parent Organization) in 1974. Our Nursery Schools numbering ten during the year under report, have catered to 278 students between them. We are grateful to all our stake holders and particularly to our teachers for their efforts. 85% of our students were admitted to good English Medium High Schools of their respective areas.

Our efforts are to provide a Child Initiated Experiential Learning to the most marginalized section of society and help them to get into good English medium schools.

CRESCENT ENGLISH HIGH SCHOOL & JR. COLLEGE: Academic excellence remained the hallmark of Crescent. The Higher Secondary Certificate (HSC) Examination recorded excellent performance as every year, with the Science and Commerce streams achieving a 100% pass percentage (32.85% & 40.91 % students scoring distinction respectively) and the Arts stream securing an impressive 97.62% missing 100% result as one student remained absent during the examination due to illness. The highest scores recorded were 86.00% in Science, 92.50% in Commerce, and 89.83% in Arts. Equally commendable was the Secondary School Certificate (SSC) Examination, where our 21st batch (2026) also got 100% results as in the past twenty years.; all 84 students passed. The batch produced 50 distinctions and 33 first classes and remaining are second class, with the highest scorer securing 94% and the overall class average standing at an impressive 75.92%. These achievements reflect the dedication of our students, the tireless efforts of our teachers and the constant support of our parents. The school continued to strengthen digital literacy through the MS-CIT programme, with the second batch of Std. VIII students achieving a 100%

pass result. Students also excelled in the Government Drawing Examinations, with all six students appearing for the Intermediate Examination securing A Grades, while all eleven students who appeared for the Elementary Examination passed with one A Grade and ten B Grades. Crescent English High School & Junior College was honoured with the Sustainable Development Goals (SDGs) School Award 2025 at the Education Leadership Conclave.

Another proud milestone was the publication of "Crescent Connect", the school's first Alumni Directory, documenting the achievements of 476 alumni from the academic years 2005–06 to 2017–18, including 60 alumni currently residing and working across 18 countries.

This initiative has further strengthened the enduring bond between the institution and its alumni.

Adding to the year's accolades, our Principal, Mr. Wasi Ahmed Khan, was conferred the Best Principal Award during the Silver Jubilee Celebrations of A. E. Kalsekar Degree College in recognition of his visionary leadership and invaluable contribution to the field of education, leadership, and the future of schooling. Another significant initiative was the successful hosting of ILM QUEST, an inter-school competition that provided students with an enriching platform to showcase their talents while fostering healthy competition and collaboration.

Our students continued to bring laurels to the institution through outstanding performances at international, national, state, district, and inter-school competitions. They secured top rankings in prestigious Olympiads, Spell Bee, Drawing and Handwriting Competitions, State Scholarship Examinations, Mathematics Championships, Intelligence Tests, and various elocution, essay writing, storytelling, calligraphy and literary competitions. Their achievements reflect excellent holistic development. The school also recorded notable success in sports. Students excelled in Kickboxing, Taekwondo, and Scout & Guide activities at the state and divisional levels, winning Gold and Bronze medals while several students earned the prestigious Rajya Puruskar Award.

RADIANT ENGLISH HIGH SCHOOL & JUNIOR COLLEGE: This year has been a defining milestone in the institution's journey, marked by academic excellence, innovation, prestigious recognitions, and remarkable achievements across curricular, co-curricular and extracurricular domains. With growing student strength of 2,099 from Nursery to Std. VI and the Higher Secondary Science and Commerce streams, the institution has continued to uphold the vision of MES by providing quality education rooted in values, excellence and holistic development.

One of the most significant milestones of the year was the declaration of the institution's first-ever Higher Secondary Certificate (HSC) Board Examination results. Achieving a 100% pass percentage in both the Science and Commerce streams in the inaugural batch is a historic accomplishment. Under Commerce stream 59.74% students got distinction with the highest score of 92.00%, while in the Science stream 29.68% students scored distinction & highest percentage was 89.17%.

In our continuous endeavour to prepare students for the future, the institution introduced Robotics Education from grade III.

The establishment of a modern Language Laboratory further strengthened language proficiency by providing students with an interactive environment to enhance communication, pronunciation, and listening skills.

The institution received several prestigious recognitions during the year. MES' Radiant English High School & Junior College was honoured with the Sustainable Development Goals (SDGs) School Award 2025 for its exemplary efforts in integrating the United Nations Sustainable Development Goals with the vision of NEP 2020. The school was also conferred the Indian School Excellence Award 2025 for innovative educational practices and leadership, followed by the Star Education Award 2025 for Best Infrastructure in School in Thane District of Maharashtra, recognising our commitment to providing a safe, modern, and student-centric learning environment.

Our students continued to excel in academics and beyond, bringing laurels to the institution at international, national, state, district, and inter-school levels. They achieved outstanding success in Olympiads, Spell Bee, Mathematics, Science and Computer Olympiads, Handwriting and Drawing Competitions, while also securing top honours in English and Urdu Elocution, Essay Writing, Current Affairs, and several inter-school cultural competitions. The institution proudly emerged as the Champion School at the Imperial Institute Inter-School Talent Hunt and earned accolades at the Noman Imam Inter-School Competition, ILM QUEST, Rising Stars Fest and various other prestigious platforms.

Sports continued to remain a major strength of the institution. Our students demonstrated exceptional talent in football, cricket, badminton, kho-kho, relay athletics, and karate, winning championships and individual honours at district, state, national, and international levels. A particularly proud moment was the Gold Medal secured by Umar Atique Chipolkar at the International Combat Sports Festival, where he competed against participants from five countries. Equally commendable were the achievements of our Under-19 football and relay teams, whose outstanding performances reflected discipline, perseverance, and teamwork.

The institution also successfully organised the second edition of Rising Stars Fest, an inter-school competition that witnessed enthusiastic participation from 20 schools and 183 students. The event provided a vibrant platform for young learners to demonstrate their talents while promoting healthy competition, creativity, confidence, and collaborative learning. Adding to the institution's proud achievements, Principal, Mrs. Shagufta Inamdar, was honoured with the Best Principal Award during the Silver Jubilee Celebrations of DRT's A. E. Kalsekar Degree College in recognition of her exemplary leadership and distinguished contribution to education.

PRE-SCHOOL TEACHERS TRAINING INSTITUTE: Our one year Government-certified Pre-Primary Teacher Education programme committed to provide high-quality training for aspiring pre-school teachers. During the year, all 30 students enrolled and completed the Early Childhood Care and Education

(ECCEd) course, which is affiliated with the Maharashtra State Board of Skill Vocational Education & Training (MSBSVET).

Since 2018, a total of 158 students have successfully completed the course. We also made efforts to connect with our ECCEd alumni to assess their career progress. Our follow-up revealed that 99 alumni are currently employed in reputed schools, reflecting the quality and effectiveness of the training programme.

VOCATIONAL TRAINING CENTRE: The Mumbra Centre conducted six-month vocational courses in Electrical Assistant, Air-Conditioning & Refrigeration Mechanic, and Basic Fashion Designing, affiliated with the Maharashtra State Board of Skill, Vocational Education and Training, (MSBSVET) along with three-month Information Technology courses affiliated with Maharashtra Knowledge Corporation Limited (MKCL). The Dharavi Centre continued to empower women through its Tailoring Course.

During the year, the authorization of MES VTC as an Authorized Learning Centre (ALC) of MKCL and Crescent English High School as an MKCL Satellite Centre was successfully renewed, MES gratefully acknowledges the continued support of Fr. Agnel Technical College, whose guidance over the past 18 years has been instrumental in the successful implementation of vocational training programmes.

Since inception, MES VTC has successfully completed 24 batches of Electrical Assistant, 20 batches of Air-Conditioning & Refrigeration Mechanic, and 22 batches of Dress Making & Fashion Designing.

During the year under review, 698 learners successfully completed various vocational certificate courses including 646 students at the Mumbra Centre (Electrical Assistant – 152, Air-Conditioning & Refrigeration Mechanic – 165, Fashion Designing – 100, Information Technology – 229) and 52 trainees in the Tailoring Course at the Dharavi Centre.

STUDY CENTRE: MESCO Education Society established its Study Centre on 8th September 2024 at the campus of Radiant English High School at Kausa, Mumbra, with the objective of providing students with an accessible and conducive environment for learning. During the financial year 2025–2026, a total of 624 students availed the Centre's facility with an average daily attendance of 30 students.

The Study Centre was created in response to the educational needs of students who lack adequate study space at home due to overcrowded living conditions, inadequate lighting, noise, and limited resources. The Study Centre offers a quiet, comfortable, well-maintained, and fully equipped learning environment that enables students to concentrate better, improve their academic performance, and develop self-discipline and motivation towards learning.

SUMMING UP: The 49th year has been a year of achievement, innovation, academic excellence and collective endeavour. As MES enters its Golden Jubilee year, we renew our commitment to educational excellence, social responsibility and inclusive growth.

I place on record my heartfelt gratitude to the Board of Trustees, staff, Patron and Life Members, CSR partners,

donors, foreign supporters, alumni, well-wishers and every member of the MES family for their continued trust and commitment.

Let us move forward together with renewed determination, strengthening our institutions, expanding opportunities and transforming lives.

Thank You !

Shama Tarapurwala

General Secretary

The I/E account shows an income of Rs. 17.07 Crores (including Rs. 1.24 Crores donation for Crescent School expansion project) as against an expenditure of Rs. 15.39 Crores, leaving a surplus of Rs. 1.67 Crores, most of it towards School Construction; the said surplus amount will be utilized in the next financial year on the said purpose.

AUDITOR'S REPORT

AUDITORS REPORT RELATING TO ACCOUNTS AUDITED FOR THE YEAR ENDED 31ST MARCH 2026 OF MESCO EDUCATION SOCIETY TRUST UNDER SUB-SECTION 2 OF SECTION 33 AND SUB-SECTION 2 OF SECTION 34 OF THE BOMBAY PUBLIC TRUST ACT 1950.

We have audited the annexed accounts of **MESCO Education Society** Trust for the year ended on 31st March 2026 and we report that: -

- (a) The accounts have been maintained regularly and in accordance with the provisions of the Act and the Rules.
- (b) Receipts and disbursements have been properly and correctly shown in the accounts.
- (c) The cash balance and vouchers in the custody of the Trust on the date of the audit were in agreement with the books of accounts.
- (d) All Books, Deeds Accounts, Vouchers and Other Documents and records required by us were produced before us.
- (e) A register of movable and immovable properties has been properly maintained.
- (f) The representatives of the trustee appeared before us and furnished the necessary information required by us.
- (g) In our opinion, no property or funds of the Trust were applied for any object or purpose other than the object or purpose of the Trust during the year.
- (h) There are no amounts which are outstanding for more than 1 year, other than retention amount payable in respect of construction of school building amounting to INR 20,527.
- (i) Tenders were invited for repairs and construction exceeding Rs. 5,000 during the year.
- (j) During the year, no amount has been deposited or invested contrary to the provisions of Section 35 of the Act.
- (k) In our opinion, there has been no alienation of immovable property contrary to the provisions of Section 36 of the Act during the year under report.
- (l) In our opinion, so far as is ascertainable from the books of accounts and according to the information and explanations given to us, there was no irregular, illegal or improper expenditure or failure or omission to recover moneys or property belonging to the trust or of loss or waste of money or other property thereof.
- (m) The budget for the accounting year has been filed in the form provided by Rule 16A.
- (n) The maximum and minimum number of trustees has been maintained
- (o) The meetings have been held regularly as provided in the instruments of the Trust.
- (p) The meeting of the Trustees was held regularly as provided in the instrument of the Trust.
- (q) No trustee has any interest in the investments of the trust.
- (r) No trustee is a debtor or creditor of the trust.
- (s) No irregularities were pointed out by us in the accounts of the previous year.
- (t) There is no special matter which we think fit or necessary to bring to the notice of the Deputy or Assistant Charity Commissioner.

OBITUARY

Late Mr. Irfan Usman Merchant

It is with profound sorrow and a deep sense of loss that we remember Late Mr. Irfan Usman Merchant, one of the Founder Members of MESCO Education Society, who passed away on 11th June 2026.

Mr. Irfan Merchant was associated with MESCO Education Society from 1977 to 1998, during which time he rendered dedicated and selfless service to the Society. His commitment, guidance and sincere desire to promote education and contribute to the welfare of the community left a lasting impression on the Society and all those associated with it.

He will be fondly remembered for his pioneering role in the establishment and growth of MESCO Education Society and its first school, Crescent English High School, Mumbra. As a Founder Member, his vision, dedication and commitment helped lay a strong foundation for the Society's educational mission and its continued journey of service.

His valuable contribution to the Society and the cause of education will always be remembered with gratitude and respect.

Late Mr. Nazirhusain Shaikh

It is with great sadness that we remember Late Mr. Nazirhusain Ishaq Shaikh, former Managing Committee Member of MESCO Education Society (MES), who passed away on 20th July 2026.

Mr. Nazirhusain was associated with MESCO Education Society from August 1990 to September 2018. A grassroots worker and a dedicated member of the Society, he rendered his services with utmost sincerity, commitment, and selflessness.

He was known for his humility, dedication and unwavering commitment to the welfare of the Society and its educational initiatives.

Throughout his long association with MES, he contributed wholeheartedly and remained a steadfast supporter of the Society's mission and values..

His invaluable contribution and devoted service to the Society will always be remembered and cherished by the MESCO Education Society family.

Initiated in 1993

25% seats are reserved for the Economically Weaker Sections (EWS) students.

MESCO Education Society's **Crescent English High School & Jr. College**

Kausa-Mumbra, Dist. - Thane

About the School

Crescent English High School & Jr. College is an English Medium unaided, minority institute. Serving in the field of Education since past 33 years. The school is affiliated with S.S.C. & H.S.C Maharashtra State Education Boards. Providing a joyful, holistic and Child Centric Environment to 1645 students.

Curricular & Co-Curricular Activities

Academic excellence continued to be the hallmark of MES' Crescent English High School & Junior College. The institution recorded outstanding performances in both the SSC and HSC Board Examinations, reflecting the dedication and collective efforts of students, teachers, and parents in pursuit of academic success. Our progressive learning environment integrates Robotics and hands-on technology-based learning to develop creativity, innovation, logical thinking and problem-solving skills. Along with spoken English, career counselling, and a wide range of co-curricular and extra-curricular activities, we empower every child to discover their talents and reach their full potential.

Awards and Recognitions

The school's commitment to excellence was further acknowledged through prestigious awards and recognitions received during the year:

- ★ **Sustainable Development Goals (SDGs) School Award 2025** – presented by the School Quality Accreditation Division of CED Foundation.
- ★ **Best Principal Award 2025** – presented by DRT's A. E. Kalsekar Degree College, Mumbra.

CRESCENT SCHOOL & JR. COLLEGE – GLIMPSES OF ACTIVITIES

Our students earned accolades for their outstanding performance at Lions Club, Thane.

A vibrant Republic Day celebration filled with pride, patriotism and memorable performances in the presence of esteemed dignitaries.

Crescent Stars dazzled at Rising Star Fest, winning multiple awards.

Crescent students showcased skill, strength and determination at the TMC DSO District-Level Taekwondo Championship 2025-26.

A proud moment as our SSC & HSC achievers of the 2024-25 batch were felicitated.

Crescent and Radiant Heads attended the insightful Quality Circle Time workshop conducted by renowned education expert Jenny Mosley.

Little graduates, big dreams! Our preschoolers proudly marked the completion of three wonderful years of learning and growth.

Our students brought "Vibrant Values, Compassionate Hearts" to life with talent, creativity and confidence on the Annual Day stage.

United in spirit, our students marched with pride, discipline and determination at the Annual Sports Meet.

MESCO EDUCATION SOCIETY'S

RADIANT ENGLISH HIGH SCHOOL & JR. COLLEGE

The academic year 2025–2026 marked yet another remarkable chapter in the journey of MES' Radiant English High School & Junior College, characterized by academic excellence, institutional recognition, innovation and holistic development. With a total student strength of 2,099, comprising students from Nursery to Std. VI and the Science and Commerce streams of Std. XI and XII, the institution continued its unwavering commitment to providing quality education while nurturing responsible, confident and value-driven individuals.

25% seats are reserved for the Economically Weaker Students

Estd. 2023

Kausa-Mumbra
Dist. - Thane

A Historic Milestone – First HSC Board Examination

MES' Radiant English High School & Junior College proudly recorded an outstanding 100% pass percentage in both the Science and Commerce streams, marking a historic milestone in its educational journey.

The Commerce Stream delivered an exceptional performance. Out of 77 students who appeared for the examination, 46 students secured Distinction, 30 obtained First Class, and one student passed in Second Class. The stream recorded an impressive highest percentage of 92.00%.

The Science Stream also demonstrated remarkable academic excellence. Of the 64 students who appeared, 19 secured Distinction, 30 obtained First Class, and 15 passed in Second Class, with the highest percentage reaching 89.17%.

Awards and Recognitions

During the academic year, MES' Radiant English High School & Junior College received several prestigious awards and recognitions, further affirming its commitment to excellence, innovation, quality education, and institutional development:

- ★ **Sustainable Development Goals (SDGs) School Award 2025** – presented by the School Quality Accreditation Division of CED Foundation.

Few Success Stories

From Fresher to Electrical Entrepreneur: The Inspiring Success Story of Pramod Shankar Salunke

Pramod Shankar Salunke, a fresher with no prior experience in the electrical field, completed the Electrical Assistant course at MES Vocational Training Centre (MES VTC) with the determination to build a successful career. The practical training and technical skills he gained at MES VTC helped him develop the confidence to start his own venture. Today, Pramod is the Proprietor of Atharva Electrical, working as an Electrical Contractor and providing electrical maintenance services to various housing societies. Starting his journey as a fresher, Pramod has now established himself as a skilled professional and successful entrepreneur. He currently earns approximately Rs. 70,000/- per month through his electrical contracting and maintenance work. His journey is a wonderful example of how skill-based vocational training can transform a beginner into a confident professional and successful entrepreneur.

Skilled for Self-Reliance: How Vocational Training turned Gufran Ansari into an Entrepreneur

Gufran Ansari, a student of the 2024-25 batch at MES Vocational Training Centre (MES VTC), completed his Air Conditioning & Refrigeration course with the aim of building a career in the service industry. The practical skills and technical knowledge gained during his training gave Gufran the confidence to take the next step. Instead of looking only for a job, he decided to become an entrepreneur and started his own AC and Refrigeration Service Centre, "Hindustan Sales and Service." Today, Gufran is successfully running his service centre and earns approximately Rs.30,000 per month. His journey from a vocational training student to a self-employed service professional and entrepreneur is an inspiring example of how skill-based education can create opportunities for sustainable livelihoods.

With skill, creativity and determination, Afreen Khan transformed her passion for fashion into a growing career

Afreen Khan is a determined and talented young woman who turned her passion for fashion into a promising career. She completed her 10th standard and followed her dreams by pursuing a Basic Fashion Designing Course from MES' Vocational Training Centre, where she gained in-depth knowledge of stitching, designing and the latest fashion trends. With expertise in all types of tailoring – from everyday wear to designer outfits, Afreen has mastered the art of stitching with perfection and creativity. She currently works in a boutique, where she enhances her skills and designs beautiful creations for her clients. Along with her job, Afreen also manages her small business with great dedication and sincerity. Her work reflects her passion and commitment towards fashion. Her journey is a beautiful example that with passion, learning, and hard work, small steps today can lead to big success tomorrow.

Industry-focused training empowered Mohammad Ashraf to turn practical skills into a rewarding career

Mohammad Ashraf, a student of MES Vocational Training Centre (MES VTC), completed his Air Conditioning and Refrigeration course during the academic year 2024-25. With the technical knowledge and practical skills gained during his training at MES VTC, Ashraf was able to take his first step towards a promising career in the AC and refrigeration industry. Today, he is working as a Technician with Blue Star, one of the leading companies in the air-conditioning and refrigeration sector, and is earning a monthly salary of Rs.25,000. His journey is an encouraging example of how skill-based vocational education can create meaningful employment opportunities and help young people build a stable career. Ashraf's success reflects the importance of practical training, industry-oriented skills and determination to succeed. His achievement is a source of pride for MES VTC and an inspiration to our present and future students.
